Over 50 players, participated in the **3rd Annual Pre-Season Show Off Camp**. There was some unbelievable talent at this year's camp. The talent level in this event continues to get better each year. In the near future, this event will be one of the must-attend spots for college coaches around the country.

Because the event is held in an adjacent 2 court facility and the game schedule is staggered, it creates an unique advantage for all participating players to be seen by all attending college coaches.

## Class of 2012 Participants

**Jalyn Burkett** (White Station) 6'1 Center. Aggressive shot blocker and runs the floor very well.

**LeMetria Dunn** (Fairley) 5'5 PG. Super quick feet.. 3 point shooter and distributor.

**Logan Hammonds** (Arlington) - Has the best of both worlds, Height and Shot. Standing over 6'0 feet tall and with a shooting stroke to die for. She is a versatile player that can take her game to the paint and knock down some threes behind the arch.

**Lorna Hudson** (Peabody) 5'10 Shooting guard can play inside or out because of height and guard one-on-one on perimeter

**Rachel Hughes** (Bartlett) 6'0 Aggressive Post.. Can run the floor, defend and score..

**Brandi Jefferson** (Kirby) - 5'7 Hard working guard. Has a nice stroke and can handle the basketball.

**Bethany Lyle** (MHEA) 5'10 sharp shooting guard. Deadly behind the 3 point line

**Leah Lyles** (MHEA) 5'8 Shooting Guard

**Briana Neal** (Overton) 5'11 forward. Energetic forward that does not mind doing the little things. Rebound and stick backs, set screens and roll, knows how to initiate transition after a rebound by dribbling or advancing the ball. Short jumper range..

**Samantha Reeves** (Fayette Academy) - The first thing I noticed is her size. She stands over 6'1 feet tall and she has a thick body frame--and she knows how to use it to cause problems on defense and to create space and post up on offense. She is not limited in the post. She is capable of spotting up for the 3.
